**Diocese of Belleville**

In the time of great need in our world, our country, our communities, and especially in our parishes, schools and ministries that give so much to us, we come together to give back. We must do our part, and share a portion of what we've received in order to build the body of Christ and share the love with the world... one soul at a time. Please consider making a gift to our favorite Catholic organization so, together, we can feed the hungry, clothe the naked, give shelter to the homeless, and preserve our Catholic heritage for future generations.

**To donate**, use the form below to find the parish, school or ministry you want to support. Your gift makes a difference. Together, we are stronger. Together, we are the Church. You did this for us!
